**OUR COMPANY**

At US Netting, Inc. we focus on three things: Quality, Safety, and Solutions. Since 1983 we've been dedicated to building the best custom nets and continue our tradition of quality today. Our products help our clients offer increased safety and utility to their employees, facilities, and customers. Each custom net is tailored to the requirements of the job, providing the exact solution the project requires, something stock size products from big box stores cannot supply. Our team possesses a staunch devotion to fabricating the best nets available.

**WHAT WE DO**

We make custom netting and industrial products for various industries who need the highest quality of safety products available on the market to ensure that all regulations and standards are met and all employees are kept safe.
